Life is a long trip.
Both good and bad things happen on the road:
People love and hate,
They share and hide things.
Some things make me smile;
Some things make me cry.
Some days are sunny,
Some days are rainy—
Life is a trip full of opposites.

I can't decide what will happen,

You don't want to be Kim's assistant. She gives you lots of work and never feels pleased with what you do. However, if you "pass the test," you'll almost 100% sure be promoted to "real" lawyer. I passed, and now I have my own office and my own assistant.

Last week Kim kicked out her new assistant. And now she's treating me like her assistant again. "Maureen, get me a coffee." "Maureen, copy this for me." Yes, the coffee room is closer to my office, and yes, I know the copying machines better, but now my business card says L-A-W-Y-E-R, not A-S-S-I-S-T-A-N-T!

No one will fight Kim because she's dating Emerson, our boss. Fighting the boss's girlfriend won't do you any good. Ted fought her once, and now he's sitting in the "Cage," the smallest office here.

Next to my office is Jackson's. He was Kim's assistant before me. He told me that I had to let her know that now I work WITH her, not FOR her. "She'll get very angry at first, but she'll forget about you after she finds the next 'lucky' person, and then you'll be OK," said he.
